

Do You Believe

Do you believe that I love you?

Do You Believe?

I love you.

Do you believe the Lord -your God?

If you believe, than you must allow my love to flow over you,

And through you

Even to the marrow of your bones.

If you really believe that I love you, you must open your

Wounds to my gaze,

And then let me have those wounds.

Beyond your anger, beyond your hatred, beyond your grief,

Your turmoil, beyond your tears—

All expressions of your woundedness—

I have seen each and every hurt you have ever received.

When you were rejected, I was there.

When you were insulted, I was there.

When your love was shattered, I was there.

When you were betrayed, I was there.

When you were lonely, dying in your solitude, I was there.

And when you were dead unloved and suffering, I was there.

Loving you, giving you new life, my life.

For it has all been done before you, you know—

I died in order that you might live.

So please, accept my life, the life I have given you

The life I have given for you.

When I died, I took with me your wounds.

They entered the grave with me.

And when I rose from the dead, I left your wounds behind.

I have conquered death, and with it,

Each and every one of your wounds.

Forgive those who have hurt you, and then I will heal you.

Do you believe me? Do you believe I love you?

Where Love is there am I!

Where Love is, there can be no wounds unhealed!

Where Love is, I am healing!

(I am....)>>>>I AM!
